

UNIVERSAL PRODUCTION MUSIC

Universal Production Music:

- For over 30 years, we've been making production music the Universal way. Created by artists. Produced and recorded in top international studios. Composed by us, curated for you, and capable of taking your project to another level.
- Comprised of the two most respected names in production music, (Killer Tracks and FirstCom Music) Universal Production Music is the largest, most diverse, and best collection of music the industry has to offer.
- Easily identified edit points, underscores and alternate mixes, cut-down versions, and stems.
- Our entire repertoire is meticulously curated and tagged with metadata for accurate search results.
- Innovative AI enhanced music search solutions that are simply the best in our industry.
- Our team is relentlessly helpful, passionate about music, and obsessive about service. We will provide you with the best overall experience and support for every aspect of your music needs.

The Music:
